Terms and conditions for all members

On an annual basis, members will be required to update Carpet Recycling UK regarding their recycling progress, and share information on materials recovered and recycled by completing the survey issued. Please note that no company names or identifications will be used and all such information shared will be handled with strict confidentiality and only be used to report back to the industry on carpet waste diverted from landfill.

Terms and conditions for recycling member applications

Recyclers agree to adhere to the licensing and permitting requirements of the Environment Agency and their equivalents where applicable.

For details and useful links please go to the page below. In addition, check directly with the EA, NRW or SEPA to make sure you comply.
