Trial Data:

20.8 tonnes Carpet

6.5 tonnes Underlay

3.2 tonnes Vinyl

2.5 tonnes Cardboard

(+ Plastic, F Ball & General
Waste provision)

28 Regular users

43 Total users

“It’s a really good service that is very useful to our business.”

County Carpets

“We use this service at your GW branch, it’s fantastic! It allows us to ensure our waste is carefully processed.”

Deakin & Peck Flooring

“Works efficiently – I can unload my previous days waste and then pick up materials for the current day with an empty van. Great service.”
